

**Genetic Medicine Seminar Series**  
**Tuesdays 12.30-13.30**

**Spring Term 2012**

Date	Host	Speaker	Title	Venue
10/1/12		Prof Andrew Read	discussion on paper by Goldstein in Nature 2011	Room AB 5 <sup>th</sup> floor SMH
17/1/12		Prof Young/Dr Uus	Auditory neuropathy	Room AB 5 <sup>th</sup> floor SMH
24/1/12		Jim Walker. Masachusetts General Hospital	Modeling Neurofibromatoses in Drosophila	Room AB 5 <sup>th</sup> floor SMH
31/1/12		Cyto and Molecular lab updates	TBC	Room AB 5 <sup>th</sup> floor SMH
7/2/12		Graham Pavitt (YJC)	'Vanishing white matter disease and protein synthesis control'	Room AB 5 <sup>th</sup> floor SMH
14/2/12	<b>HALF TERM</b>			
21/2/12	<b>HALF TERM</b>			
28/2/12		Adam Hurlstone	Zebrafish and cancer	Room AB 5 <sup>th</sup> floor SMH
<del>6/3/12</del>	<b>Postponed to April</b>	<del>Rob Wynn</del>	<del>Bone Marrow Failure Syndromes: A Clinical Update</del>	<b>Postponed to April</b>
		<del>Yanick Crow</del>	<del>Coats plus</del>	
13/3/12		Andrew Morris (Willink Biochemical Genetics Unit, Genetic Medicine)	mtDNA mutations: pathogenicity and the bottleneck for transmission	Room AB 5 <sup>th</sup> floor SMH
20/3/12		Jill Clayton-Smith	Ohdo Syndrome update	Room AB 5 <sup>th</sup> floor SMH
		Sasha Henriques	Support for families with genetic conditions through "Contact A Family"	
27/3/12		Ryan Combs (UoM)	TBC	Room AB 5 <sup>th</sup> floor SMH

For Nowgen Academic Seminars, contact 0161 276 5956 /[bookings@nowgen.org.uk](mailto:bookings@nowgen.org.uk)  
Other enquiries to Bill Beckett, Prof Yanick Crow or Siddartha Banka on 0161 276 6002

**Opportunities:**

Updates on novel research findings or service developments  
Students, early career researchers and trainees presenting their work  
Informative (multidisciplinary) case discussions; Conference feedback; Interactive 'journal club'  
discussion of potential landmark papers or topics of interest; External seminar speakers
